

Climbing Bear

The climbing bear is great for children 3-10. Hook the center string to something high enough for the child. Pulling the strings alternately makes the bear climb the string. Let go of the string and the bear slides down.

Material: $\frac{3}{4}$ " pine or suitable wood for painting. 6"x 8".

8 feet of soft $\frac{1}{4}$ " string. Paint to suit.

Tools: Scroll, band or coping saw.

Drill and $\frac{1}{4}$ " bit
